The boys, Steve Feagan, Scott Feagan, Charlie Bishop, Sammy Hester, Jerry Brown and Greg Perrin worked 2½ hours Sunday afternoon building the snowman which was still standing in the sunshine Wednesday afternoon. A red bucket was used for his hat. His features include cans for eyes, Coke bottle for the nose and tree bark for the mouth. He wears a red scarf.

**Riding Club Elects Bill Dominey President; Sets Meeting Feb. 3**

By Don Elmore

Bill Dominey was elected president of the Hamlin Riding Club Thursday night at a meeting held at the Oil Mill Guest Cabin.

Other officers elected at the annual election meeting were Bill Feagan, vice president; J. V. Howard Jr., secretary-treasurer; J. B. Gibson, Earnest Jenkins and Kenneth Seifres, directors; Billy McIlwain and John Holty, area directors; and Buddy Allen and Don Elmore, assistant arena directors.

The main discussion of the meeting concerned whether or not to have a full size rodeo. It was decided that another meeting would be called because of the small turn out.

Mr. Dominey set the next meeting for Thursday, Feb. 3, at which time the decision on the rodeo will be made.

Among the many pros and cons on the rodeo discussed at the meeting was that while everyone enjoys a rodeo and likes to go to them, the past rodeos have either made very little money or have just broken even. While the All Girls rodeo which used no expensive stock made good money. Also mentioned was the fact that the club has never had a jack pot roping contest that

Everyone in the community is given a cordial invitation to attend any or all of these special services according to the pastor, Rev. Marshall Stewart.

The Ta Wan Ka Camp Fire Girls will be downtown Saturday morning to sell March of Dimes buttons, weather permitting.

The leader of the junior high girls is Mrs. Vera Hughes.

**Severe Cold Follows Heavy Snowfall Friday**

The largest snow fall in a number of years brought nearly everything to a halt here Friday as the area was covered with seven inches of snow. Residents woke up to four to five inch blanket of snow Friday morning and it continued to snow during most of the day.

The snowstorm caused the closing of most of the schools in the area including the local system. It also caused the postponement of the Board of Community Development's annual banquet until this Saturday. Many area basketball games and club meetings were also cancelled.

Most of the roads in the area were in hazardous condition all day Friday and very few people ventured out into the weather.

The heavy snow Friday followed the three inch snow here Monday and the light snow here Wednesday.

For more than a week and a half the area has been in the grip of freezing or near freezing temperatures with snow since the first snowfall last Monday.

The lowest coming Sunday morning when a 2 degree reading was recorded at the City Pump Station. Because of the continued cold the ground has been partially covered with snow since the first snowfall last Monday.

The deep snow and cold has caused many problems for area stockmen. While the wheat was in great need of the moisture, the livestock in the area have had to be fed at least part of the time. The biggest problem in feeding has been getting to the cattle because of the mud and ice.

The seven inches of snow Friday brought with it 42 inches of moisture to bring the total for this spell to .96. Rains earlier in the month added to this bring January's total up to 1.05.

Wednesday morning's low temperature was down to the 17 to 20 degree mark to continue the cold trend.

More bad weather has been forecast for the area for this week end.

**ANNUAL BCD BANQUET RE-SET FOR SATURDAY NIGHT AT 7:30**

FAIRVIEW NEWS...

By Mrs. Elmer Joiner

After all of the talk and predictions winter finally arrived, bringing everything in the book but wind, if the wind had blown with the temperature as low as it was, it would have really been rough. All I can report about the weather here is what I have been told, having spent from Tuesday until Sunday in Lubbock. On Friday night the reading was three below zero, with every thing covered with snow, but since the wind was calm it was not as bad as one would think. When you are away from home with the other half of your family home, 7 or 8 inches of snow on the ground, that frozen over, it makes you wonder if you will ever get in, but once the cars start traveling, the roads melt off unbelievable fast. Some streets in Lubbock were still iced over, but the main streets open. The city put tons and tons of rock salt on them.

Am happy to report that the sister-in-law, Mrs. Henry Kee, who had very serious surgery in Methodist Hospital, last Wednesday morning, is doing well, recovering slowly,

but just as the doctor anticipated. She had colon surgery, but no malignancy, for which we always fear. She will be in the hospital for two weeks, if any of her friends in this area wish to send her a card her address is, Methodist Hospital Room 632.

It seems that most of the folks out our way have just stayed in trying to keep warm and trying to keep from getting sick, for after such warm weather so long, it was just what the bad cold germs wanted.

Mr. and Mrs. Woodrow Goodwin went to Eastland last Thursday, to visit his brother, Mr. and Mrs. Ralph Goodwin.

Rev. Derrel Lewis was in Hamlin, Monday night, having come from Lubbock to visit his mother, Mrs. Johnny Lewis, in the Hamlin Hospital. He visited a short while Monday night with the Woodrow Goodwins and the Winson Grays.

It seems that the Winson Grays did a good neighbor act last Friday, they spent the day with the Fred Rosenbaums. We used to have such good times when the weather was bad visiting our neighbors

and friends, why don't we do it more often.

Mr. and Mrs. Clois Henry, San Angelo, braved the bad roads Saturday, to see about his parents, Mr. and Mrs. E. A. Henry. Since the Henrys live about a mile off the road, we know they did feel isolated when the snow got so deep.

Since the weather was so bad, no services were held at Fairview, either time Sunday. We hope it is pretty and every member will try to be on hand next Sunday, for this is to be an important day for our church.

Mr. and Mrs. Jack Wright and children, Abilene, spent Sunday with her parents, the Favil Holmes.

Mr. and Mrs. Winson Gray went to Anson, Saturday, to visit his parents the E. C. Grays.

Since Fairview did not have services Sunday morning, the Goodwins and the Grays all attended First Baptist Church.

Mrs. Pauline Hunt and Mrs. Janie Miller attended the monthly meeting of the Abilene Chapter of Texas Nursing Home Association last Tuesday evening at Sands Motel. The program was a discussion of medicare and the pending House Bill 8282 by the state president, Art Taylor, owner of homes in Vernon and Altus, Okla.

OLD GLORY...

By Judy White

Snow brought over an inch of moisture to the Old Glory Community last week. Early in the week 2 1/2 inches of snow fell, and then on Thursday night and Friday another 8 inches of snow fell. School was closed on Friday and the basketball game between Old Glory and Mattson on Friday night was called off because of hazardous road conditions.

Mrs. Allen Letz and her sons, Danny, Steve and Dale, also Danny Lammert visited in Lubbock recently with Mrs. Taxie Brown, Mrs. M. E. Welch, and Mr. and Mrs. Bert Turner.

Mr. and Mrs. Jack Simmons and sons of Fort Worth were here last week visiting her parents, Mr. and Mrs. Beno Hertenberger.

Mr. and Mrs. Henry Schmidt, Paul Brown and Earnest Bredthauer visited with Mrs. Lillie Thane and Mr. and Mrs. Manuel Thane in the Ericksdahl community on Sunday of last week.

Visitors in the home of Mr. and Mrs. E. H. Diers last week were their daughter, Mrs. Sam Cox and children of Austin, and their son Charles, a student at Southwest Texas

State College in San Marcos. Cynthia Letz, a student at Texas Lutheran College in Seguin, was home a few days last week visiting her parents, Mr. and Mrs. David Letz.

Those from the Old Glory area who attended the Sons of Herman Lodge Installation at Snyder on January 16th were Mr. and Mrs. Otto Dudenensing, Mr. and Mrs. Herbert Teichelman, Mr. and Mrs. Eugene Vahlenkamp, Mr. and Mrs. W. H. Vahlenkamp, Mr. and Mrs. Robert Dudenensing, Mr. and Mrs. Henry Schmidt and Paul Brown accompanied by Ernest Bredthauer of Sagerton.

New officers of all the Herman Sons Lodges of West Texas were installed. Paul Brown was installed as trustee and W. H. Vahlenkamp and Otto Dudenensing as guards. Other officers installed in the local Lodge were members from Aspermont and Sagerton.

Mr. and Mrs. Billy Charles Etheredge of Roby are parents of a son, John Charles, born 5:11 a.m. Jan. 22. He weighed 5 lbs. 13 oz.

Mr. and Mrs. Larry Neil Field are parents of a boy, Noel Klane, born Jan. 23 at 2:16 p.m. weighing 8 lbs. 8 oz.

HD Women Plan To Attend Meeting

Three Jones County Home Demonstration women, Mrs. H. A. Haynes, Council Chairman, Mrs. H. H. Dunklin, County THDA Chairman, and Mary Y. Newberry, Jones county home demonstration agent, will be attending the district Texas home Demonstration Association training and planning meeting at Benjamin Monday, Jan. 31. Training will be given on THDA work. Mrs. Dunklin will give training on the THDA Calendar. The district 111 meeting to be held on March 29 at Breckenridge will be planned at the Benjamin meeting.

The three Jones County THDA delegates to attend the Breckenridge meeting will be elected at the Jones County February 16th council meeting.

## SYLVESTER NEWS...

By Mrs. R. M. Babb

We have really enjoyed the past week with some nine inches of snow that began on Monday and the last snow that fell was on Friday and we have promise of more this week, we can always use the moisture.

The only accident that we know of due to the ice and snow was, Jimmie Nelson, he took a drive on Saturday and skinned him up quite a bit, hope he is doing o.k.

Pearl Johnson is still in Hamlin Hospital but doing well.

There was a very small group in church Sunday morning to welcome the new pastor of the Baptist Church, but we are very glad to have Bro. and Mrs. Leverett and children with us and are very anxious for them to move on the field, they are both teaching in the Hamlin School system.

Mr. Frank Brown of Story, Ark., brother of Buford Brown here spent the weekend in the Brown home. On Saturday afternoon they all went to Roscoe to visit another brother, Henry, then back to Sweetwater to visit in the Jerry Prather home. Sunday morning the three of them drove to Levelland to visit in the Max Deel home then on to Lubbock in the afternoon. Mr. Brown returned to Ark. on Monday.

Sylvester Merchantile is now in the Conoco Station and Grocery on the north corner of block, as yet there isn't any thing in the Brewer building.

Mr. Landon Perkins is slowly improving but still has to be very careful.

Uncle Bobby Jones is in the home of Marie Hurd on 911 Roscoe in Sweetwater and would appreciate a note from any of his friends.

Several members of the Baptist Church attended the Workers Conference at Cross Roads on Monday night.

During this bad weather Neda Kiser is staying in the Holiday Lodge in Hamlin which isn't a bad idea for these people that live alone.

*In need of a Pull.*

It is fun to get out and romp with our children, to share in their joy. Sometimes it is even work to pull them on a sled. Afterwards you may be tired and bones and muscles ache, but you think fondly of the laughter, and squeals of delight and the love that shines in a child's eyes. Then you think it's all worth the effort, for they won't be young forever, and someday you will only have memories.

They won't be young forever and now is the time that they need a pull in the direction toward God. Now is the time that you can lead and share in the joys of their worship. Take your children to Church this Sunday

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## PIPER PATT... ..

By  
Helen Moore  
Jane Ferguson  
Patsy Sauls  
Telephone buzzed early Friday morning as students were asking, "Is it true that there will be no school today?" Yes, it was true, and the students received an unscheduled holiday after a week full of activities.  
On January 18 the students took a bus to Anson to back their teams in district play. The girls won an exciting game over Anson; and the boys, having to play three overtimes, lost a hard-fought battle.  
On Wednesday morning, following the F. H. A. devotion, it was announced that Patsy Sauls had won the Betty Crocker Award. All three-year Homemaking girls are eligible to enter the contest. Patsy took a test based on Homemaking principles,

and received the highest score making her the winner in our school. She received a letter of congratulations and a pin.  
Our Piperettes defeated Coleman on our home court January 20. The B-team defeated Coleman's B-team, also.  
A guest speaker Mrs. Schmidt, gave a demonstration on Sibonne, an interfacing material, in the Homemaking Department January 20. That afternoon the F. H. A. girls volunteered to help with the March of Dimes Drive.  
Casting of the Junior Play, "Reluctant Reunion," brought to the already-over loaded schedule another entry-play practice. Chosen for the cast were Mike Murphree, Dennis Weaver, Margaret Johnson, Geneva Ward, Randy Smith, Pamela Holtz, Robert Moore, Rheanna Sanderlin, Sue Roddy, Helen Moore, Joe Adams, John Osbourn, and Raymond Nichols.

## FROM THE EAGLE'S BEAK ...

By  
Ann Kemp

Barbara Griffin  
In spite of bad weather, students of McCaulley School had a busy week. Tuesday night, the Eagles and Hornets, from Highland clashed to sack up McCaulley's third win in district play. The girls' team met defeat, but did have six players for the first half.  
The stoves were the center of attention in the classrooms most of the week. With the cold weather most everyone, students and teachers, found it hard to leave its nice warm side.  
Thursday afternoon the FHA's met in the Home-making Cottage, visiting with us were Brenda Morton, Nancy Ashley, Kay Killingsworth, and Miss Dudley Hambright from the Roby FHA Chapter. They brought the program on the FHA Degrees of Achievement.  
Brenda told us of the Junior Degree and how it could be obtained. She stressed the importance of Degree work for a strong chapter.  
Nancy, discussed the Chapter Degree, based on the continuation of the Junior Degree for an additional year. Both girls told of the State Degree and method of work on it. It was pointed out that you must have completed both the Junior and Chapter Degrees before work may be started on the State Degree. This Degree must be judged and approved by the Area President's committee for judging degrees.  
Miss Hambright then urged the FHA's to work on Degrees and showed us a state Degree, so that we could see the finished product. Both Brenda and Nancy are working on their State Degrees. Nancy is also a candidate for Area Vice-president and we are wishing her well. Plans

for raising money for the FHA Chapter were discussed. It was announced the Annual Cake Auction would be Friday January 28 at the half during the Boy's game with the Divide Trojans, so come to the game and buy a cake from the FHA.  
Friday was an unexpected holiday for McCaulley Students as well as for many more students in the County. Guess you could say we had a long weekend. Friday morning the world was white and who could come to school with all those snowmen to be made. So we took a day off.  
Monday there were a few unexpected surprises. The Hills had just heard they were the proud grandparents of a grandson. Congratulations we know how exciting it must be to be grandparents for the first time.  
Mrs. Jane Smith was beginning her new job as Remedial Reading Teacher. We want to welcome her to our school. We mustn't leave out the new member of the junior class, Charlie Morton, and say welcome to MHS.  
The seniors aren't doing as well as the juniors for they lost a class member last week. Linda Morrison has finished and left us. We'd like to wish her the best of luck and all hope we'll be getting one of those sheep skins the end of this term.  
The Junior High teams won both home games Monday night; looks as if both teams are having a fine season.  
Things have about settled down. It's not six week or mid-term and the ground is sloppy but safe. School has again reached the regular routine; of working to keep up those grades and keep an overloaded schedule.

# Don't just stand there

# learn something!

The competition for good jobs is a very fast track today. And you can't afford to just stall around, while others are learning how to move ahead faster.

Today, to get a good job, you need a good education. You really can't get ahead without one. A good education is the first thing most employers ask for. It proves you've got what it takes to handle a good job... a good paying job.

... a job with a solid future. So, if you're in school now... stay there! Learn all you can for as long as you can. If you're out of school, you can still get plenty of valuable training outside the classroom. For the latest information, visit the Youth Counsellor at your State Employment Service. Remember, a good education isn't a luxury today. It's an absolute necessity.

# What's an education good for anyway?

Just a lot of practical things... like a good job, a good salary, and a better share of the good things in life. You wouldn't want to do without any of them. But you may be forced to... if you settle for less than a good education. Don't kid yourself. A good education isn't a luxury today. It's an absolute necessity. With most employers, a good education is the first requirement for a good job... a good paying job.

Goliad already is actively campaigning for Byron Tunnell's seat on the Railroad Commission.

Oil Allowable Edged Up — Texas' oil allowable has been edged up for the second month in a row — to 32.7 per cent of capacity for February.

The percentage factor applied by Railroad Commission adds up to a production ceiling of 3,100,000 barrels a day next month. January allowable of 32.6 per cent permitted slightly less. But it was the most promising start Texas oilmen have enjoyed in eight years.

Commissioners, after setting the allowable, went into conference with an Air Force general to learn what effect the accelerated fighting in Vietnam would have on petroleum demands. Best guess at the moment: not too much.

Recreation Grant Set — Texas has established eligibility for a \$3,500,000 grant from the Federal Land and Water Conservation Fund for acquisition and development of state and local outdoor recreation areas.

Will Odom, chairman of Texas Parks and Wildlife Commission, said Texas' statewide outdoor recreation plan was approved by the Department of Interior's Bureau of Outdoor Recreation.

Austin, — Most-comprehensive and best-financed study ever undertaken of the Texas school system is about to get under way.

Gov. John Connally has appointed a 15-member committee to make an intensive three-year study of Texas schools. Committee will draw up

guidelines to aid the Legislature in drafting new laws to strengthen the traditional system of education in the state. It has \$250,000 (plus federal funds) with which to make the study.

By August 31, 1968, it must prepare a long-range plan "that will enable Texas to emerge as a national leader in educational aspiration, commitment and achievement."

Committee will study buildings, books, equipment, teachers, teaching methods and teaching aids. It also will

propose ways to strengthen our public schools.

"In the late 1800s families drew lots to see who would wash the dishes. I certainly hope yours doesn't, because there's no need for it. There are so many advantages to the automatic electric dishwasher that I'm sure when you've heard them all you won't be able to argue yourself out of having one. For instance, dishes washed automatically turn out more sanitary than those washed by hand—that's because much hotter water can be used in the machine than on your hands. And the latest dishwashers offer cycles not only for pots and pans but fine china and crystal, also dish breakage is 1/5 that experienced when dishes are done by hand. Best of all, the kitchen stays neat and uncluttered—even after between meal snacks. There are so many advantages to automatic dishwashing, there just isn't room to list them all.

See your electrical appliance dealer and tell your family they can quit drawing lots."

## Neice and Family Visit Mrs. Dean

Visiting in the home of Mrs. W. H. Dean last week were her neice and her family, Mr. and Mrs. Curry C. Brookshier and Annisa, 5, of Pakistan. Brookshier is food and ag-

riculture research officer for West Pakistan under the U. S. Agency for International Development.

They are on leave from his headquarters post in Lahore, Pakistan. They have been there two years, having previously been assigned to Afghanistan and Chile.

## DRUMSTICK DRAMA

The star of this production is a big fat fryer grown plump and delicious. From brooder to buyer, our hero had electricity from the Midwest Electric Cooperative to warm his pen and light his way to proper feeding. When he was ready for his starring role, electric processing machinery and an electric freezer put him in the spotlight. And it took just one kilowatt hour to raise him from candling to cooking.

So if you find your fried chicken tender, tasty and economical this year, think a kind thought of the Midwest Electric Cooperative. They helped raise this chick to stardom.

## Medicare Questions & Answers

Q. I am not drawing social security but I am 66 years old. When can I sign up for Medicare?

A. For people who will be 65 by January 1, 1966, the enrollment period is in effect right now. Although, those 65 and over drawing monthly social security, railroad retirement, or civil service checks are being contacted by mail; others 65 and over should contact their social security office now; old-age assistance recipients should delay such contacts until requested to do so.

Q. I am 65 but still employed fulltime in a job covered by social security. What do I need to do to enroll for Health Insurance Benefits?

A. Visit your local social security office. You must file an application for regular social security and at that time you will be assisted in enrolling for the complete Health Insurance coverage. Take with you some old document to prove your age or date of birth. Establishing your eligibility for social security is necessary in this case even though you are not retired and will not actually start receiving monthly checks.

Q. I am not receiving social security, railroad retirement, or civil service retirement as mentioned in your column. Recently I had a stroke which confines me to my house. I am 66 and would like to enroll for the Health Insurance Plan. How may I enroll if I'm unable to come to your office?

A. We will send a person to visit you at your home and enroll you in the plan. The enrollment period is on now and all persons 65 and over need to take action promptly concerning enrollment.

Q. I am a retired school teacher, 67 years old. I have never worked under social security. Can I receive any benefits under Medicare?

A. You can qualify for the hospital insurance benefits by filling an application. Also, you are eligible to elect to take part in the medical insurance benefit plan. You should check with your social security office promptly and bring with you some old proof of your age or date of birth.

Q. I am past age 65 but I do not receive benefits from social security or any other

source. I understand that I may be eligible for the new hospitalization insurance and medical insurance programs under social security. It that true?

A. Yes, provided you are a citizen of the United States or an alien who was lawfully admitted to the United States for permanent residence and have resided in the United States for at least five years. Contact your local social security office immediately to come under the program. Be sure to bring proof of your age and proof of citizenship if you were not born in the United States.

O. Is my 63 year old mother, who receives wife's benefits, eligible for Hospital Insurance Benefits?

A. No. Hospital insurance benefits start at 65.

Q. How will the financing of the supplementary medical insurance work?

A. People enrolling in the medical insurance benefit program will pay a \$3 monthly premium, which is matched by the Federal government. These premium payments will be placed in a separate supplementary medical insurance trust fund and the money will be used only for medical insurance benefit payments.

Q. Recently I received an application card for enrollment in the supplementary medical insurance program. At this time I am undecided. How long do I have to make up my mind?

A. For those people 65 before 1966 to become eligible for medical benefits in July 1966, they must enroll on or later than March 31, 1966.

## TEXAS 1965 STATE SALES TAX TABLE

If you itemize your deductions, you may use this table to determine the general sales tax to be entered on Form 1040, page 2, Part IV. However, if you can establish that you paid a larger amount, you are entitled to deduct that amount. This table is based on the Texas State sales tax of 2 percent. Sales taxes for automobile purchases are not included in the table and they should be added to the table amount, if applicable.

## Forth Worth Fat Stock Show Opens Run Friday

Fort Worth — With an entry list of more than 450 cowboys Fort Worth Stock Show President and Manager, W. R. Watt is predicting a great year for the 1966 edition of the "World's Original Indoor Rodeo", January 28 through February 6.

Heading the list of cowboys competing for the Fort Worth Rodeo purse of more than \$75,000 in prize money and entry fees is Dean Oliver, three time consecutive winner of rodeo's highest award — All Around World's Champion Cowboy. Oliver, from Boise,

Idaho has won the top award in 1963, 1964 and 1965.

Four of the currently reigning event champions entered at Fort Worth are: Shawn Davis, Whitehall, Montana, Saddle Bronc Riding; Jim Houston, Omaha, Nebraska, Bareback Riding; Larry Mahan, Brooks, Oregon, Bull Riding; and Glen Franklin, House, New Mexico, Calf Roping.

Providing the cowboys with back bruising rides will be the job of Rodeo Producer Tommy Steiner and Associates. Steiner has lined-up some of the roughest and meanest broncs and bulls in the business and has seen to it that the animals were well rested before coming to Fort Worth.

Kick-off event of the 1966 Southwestern Exposition and Fat Stock Show will be the annual Western Day Parade at 2 p.m., Friday, January 28. As the Parade wound its way through downtown Fort Worth in 1965 it was seen by over 135,000 spectators. The

## Riding Club Elects Bill Dominey President; Sets Meeting Feb. 3

By Don Elmore  
Bill Dominey was elected president of the Hamlin Riding Club Thursday night at a meeting held at the Oil Mill Guest Cabin.

Other officers elected at the annual election meeting were Bill Feagan, vice president; J. V. Howard Jr., secretary-treasurer; J. B. Gibson, Earnest Jenkins and Kenneth Seifres, directors; Billy McIlwain and John Holty, area directors; and Buddy Allen and Don Elmore, assistant arena directors.

The main discussion of the meeting concerned whether or not to have a full size rodeo. It was decided that another meeting would be called because of the small turn out.

Mr. Dominey set the next meeting for Thursday, Feb. 3, at which time the decision on the rodeo will be made.

Among the many pros and cons on the rodeo discussed at the meeting was that while everyone enjoys a rodeo and likes to go to them, the past rodeos have either made very little money or have just broken even. While the All Girls rodeo which used no expensive stock made good money. Also mentioned was the fact that the club has never had a jack pot roping contest that

did not make good money. Some thought that the club could have several jack pot ropings and barrel races instead of the one rodeo. But whole membership should decide this question and the next meeting was set. All members are urged to attend.

## Frank Allen Makes Bid for County Office

Frank Allen of McCaulley has announced as a candidate for commissioner of Precinct 2, Fisher County, in the Democratic Primary.

Allen has lived in McCaulley since 1950 and in the Round Top community for 18 years and has been engaged in farming and ranching during this time.

In making his announcement, Allen said to voters in Precinct 2, "I feel I am qualified to do a fair and honest job to the business and responsibilities of the County. This is my first time to seek public office and your support and kind consideration will be most appreciated."

## Severe Cold Follows Heavy Snowfall Friday

The largest snow fall in a number of years brought nearly everything to a halt here Friday as the area was covered with seven inches of snow. Residents woke up to four to five inch blanket of snow Friday morning and it continued to snow during most of the day.

The snowstorm caused the closing of most of the schools in the area including the local system. It also caused the postponement of the Board of Community Development's annual banquet until this Saturday. Many area basketball games and club meetings were also cancelled.

Most of the roads in the

area were in hazardous condition all day Friday and very few people ventured out into the weather.

The heavy snow Friday followed the three inch snow here

Monday and the light snow here Wednesday.

For more than a week and a half the area has been in the grip of freezing or near freezing temperatures with

the lowest coming Sunday morning when a 2 degree reading was recorded at the City Pump Station. Because of the continued cold the ground has been partially covered with snow since the first snowfall last Monday.

The deep snow and cold has caused many problems for area stockmen. While the wheat is in great need of the moisture, the livestock in the area have had to be fed at least part of the time. The biggest problem in feeding has been getting to the cattle because of the mud and ice.

The seven inches of snow Friday brought with it 42 inches of moisture to bring the total for this spell to .96. Rains earlier in the month added to this bring January's total up to 1.05.

Wednesday morning's low temperature was down to the 17 to 20 degree mark to continue the cold trend.

More bad weather has been forecast for the area for this week end.

## ANNUAL BCD BANQUET RE-SET FOR SATURDAY NIGHT AT 7:30

The annual Board of Community Development Banquet originally set for last Friday evening has been re-scheduled for Saturday, Jan. 29, at 7:30 p.m.

The speaker will be Wayne B. (Red) Smith of Wichita Falls.

Entertainment will be by the Hamlin High School Stage Band.

Rev. Byron Bryant will be master of ceremonies.

The banquet was postponed because of the heavy snow here last Friday.

## FAIRVIEW NEWS...

By Mrs. Elmer Joiner

After all of the talk and predictions winter finally arrived, bringing everything in the book but wind, if the wind had blown with the temperature as low as it was, it would have really been rough. All I can report about the weather here is what I have been told, having spent from Tuesday until Sunday in Lubbock. On Friday night the reading was three below zero, with every thing covered with snow, but since the wind was calm it was not as bad as one would think. When you are away from home with the other half of your family home, 7 or 8 inches of snow on the ground, that frozen over, it makes you wonder if you will ever get in, but once the cars start traveling, the roads melt off unbelievable fast. Some streets in Lubbock were still iced over, but the main streets open. The city put tons and tons of rock salt on them.

Am happy to report that the sister-in-law, Mrs. Henry Kee, who had very serious surgery in Methodist Hospital, last Wednesday morning, is doing well, recovering slowly,

but just as the doctor anticipated. She had colon surgery, but no malignancy, for which we always fear. She will be in the hospital for two weeks, if any of her friends in this area wish to send her a card her address is, Methodist Hospital Room 632.

It seems that most of the folks out our way have just stayed in trying to keep warm and trying to keep from getting sick, for after such warm weather so long, it was just what the bad cold germs wanted.

Mr. and Mrs. Woodrow Goodwin went to Eastland last Thursday, to visit his brother, Mr. and Mrs. Ralph Goodwin.

Rev. Derrel Lewis was in Hamlin, Monday night, having come from Lubbock to visit his mother, Mrs. Johnny Lewis, in the Hamlin Hospital. He visited a short while Monday night with the Woodrow Goodwins and the Winson Grays.

It seems that the Winson Grays did a good neighbor act last Friday, they spent the day with the Fred Rosenbaums. We used to have such good times when the weather was bad visiting our neighbors

and friends, why don't we do it more often.

Mr. and Mrs. Clois Henry, San Angelo, braved the bad roads Saturday, to see about his parents, Mr. and Mrs. E. A. Henry. Since the Henrys live about a mile off the road, we know they did feel isolated when the snow got so deep.

Since the weather was so bad, no services were held at Fairview, either time Sunday. We hope it is pretty and every member will try to be on hand next Sunday, for this is to be an important day for our church.

Mr. and Mrs. Jack Wright and children, Abilene, spent Sunday with her parents, the Favil Holmes.

Mr. and Mrs. Winson Gray went to Anson, Saturday, to visit his parents the E. C. Grays.

Since Fairview did not have services Sunday morning, the Goodwins and the Grays all attended First Baptist Church.

Mrs. Pauline Hunt and Mrs. Janie Miller attended the monthly meeting of the Abilene Chapter of Texas Nursing Home Association last Tuesday evening at Sands Motel. The program was a discussion of medicare and the pending House Bill 8282 by the state president, Art Taylor, owner of homes in Vernon and Altus, Okla.

## OLD GLORY...

By Judy White

Snow brought over an inch of moisture to the Old Glory Community last week. Early in the week 2½ inches of snow fell, and then on Thursday night and Friday another 8 inches of snow fell. School was closed on Friday and the basketball game between Old Glory and Mattson on Friday night was called off because of hazardous road conditions.

Mrs. Allen Letz and her sons, Danny, Steve and Dale, also Danny Lammert visited in Lubbock recently with Mrs. Taxie Brown, Mrs. M. E. Welch, and Mr. and Mrs. Bert Turner.

Mr. and Mrs. Jack Simmons and sons of Fort Worth were here last week visiting her parents, Mr. and Mrs. Beno Hertenberger.

Mr. and Mrs. Henry Schmidt, Paul Brown and Earnest Bredthauer visited with Mrs. Lillie Thane and Mr. and Mrs. Manuel Thane in the Ericksdahl community on Sunday of last week.

Visitors in the home of Mr. and Mrs. E. H. Diers last week were their daughter, Mrs. Sam Cox and children of Austin, and their son Carles, a student at Southwest Texas

State College in San Marcos. Cynthia Letz, a student at Texas Lutheran College in Seguin, was home a few days last week visiting her parents, Mr. and Mrs. David Letz.

Those from the Old Glory area who attended the Sons of Herman Lodge Installation at Snyder on January 16th were Mr. and Mrs. Otto Dudenising, Mr. and Mrs. Herbert Teichelman, Mr. and Mrs. Eugene Vahlenkamp, Mr. and Mrs. W. H. Vahlenkamp, Mr. and Mrs. Robert Dudenising, Mr. and Mrs. Henry Schmidt and Paul Brown accompanied by Ernest Bredthauer of Sagerton.

New officers of all the Herman Sons Lodges of West Texas were installed. Paul Brown was installed as trustee and W. H. Vahlenkamp and Otto Dudenising as guards. Other officers installed in the local lodge were members from Aspermont and Sagerton.

Mr. and Mrs. Billy Charles Etheredge of Roby are parents of a son, John Charles, born 5:11 a.m. Jan. 22. He weighed 5 lbs. 13 oz.

Mr. and Mrs. Larry Neil Field are parents of a boy, Noel Klane, born Jan. 23 at 2:16 p.m. weighing 8 lbs. 8 oz.

## HD Women Plan To Attend Meeting

Three Jones County Home Demonstration women, Mrs. H. A. Haynes, Council Chairman, Mrs. H. H. Dunklin, County THDA Chairman, and Mary Y. Newberry, Jones county home demonstration agent, will be attending the district Texas home Demonstration Association training and planning meeting at Benjamin Monday, Jan. 31. Training will be given on THDA work. Mrs. Dunklin will give training on the THDA Calendar. The district 111 meeting to be held on March 29 at Breckenridge will be planned at the Benjamin meeting.

The three Jones County THDA delegates to attend the Breckenridge meeting will be elected at the Jones County February 16th council meeting.

## Candlelight Service Unites Linda Bingham, Shelby Blaydes Jr.

Linda Faye Bingham and Shelby H. Blaydes Jr., senior students of West Texas State University, were married in a candlelight service Friday at 6 p.m. in Calvary Baptist Church.

Parents of the couple are Mr. and Mrs. Carl Bingham and Mr. and Mrs. Shelby H. Blaydes Sr. of Fort Stockton. The double ring ceremony was read by Rev. Jerry Lynn McDaniel, pastor.

David Bingham, brother of the bride, was pianist. Mrs. L. B. Bruner was soloist. Given in marriage by her father, the bride was attended by her sister, Joyce Bingham, maid of honor, Mrs. Don Akin of Canyon, bridesmaid, and Betsy Blaydes of Fort Stockton, sister of the bridegroom, as junior bridesmaid.

John W. Magness of Austin, was best man. Groomsmen were Rod D. Blaydes of Fort Stockton, brother of the bridegroom, and C. Leslie Callison of Dallas.

Candlelighters were Sharon Bruner and Brownie Blaydes of Fort Stockton, brother of the bridegroom.

The bride's gown of lace over taffeta was fashioned with scalloped neckline accented with iridescent sequins, fitted bodice with long pointed sleeves and three tiered skirt. Her tiered veil of illusion was held by a flowerette headpiece of peau de soie and seed pearls. She carried an ar-

rangement of gardenias and rosebuds. The attendants' dresses were of blue peau de soie with matching headresses. Each carried a long stemmed white rose.

The reception was hosted by the bride's parents at the church.

Out of town guests were from Austin, McCombs, Dallas, Amarillo, Ft. Stockton, Canyon and Anson.

The couple is living in Canyon.

The bride is a 1962 graduate of Hamlin High School. The bridegroom is a 1962 graduate of Fort Stockton High School and attended Baylor University, Waco, and Sul Ross State, Alpine, before going to W. T. S. U.

The rehearsal luncheon was hosted by the bridegroom's parents at Hickman's in Aspermont.

The bride was honored prior to her marriage with a gift tea in the home of Mrs. John Rayburn hosted by members of Avondale Baptist Church.

A gift tea Dec. 30 in the home of Mrs. G. W. Drummond was hosted by Mmes. Drummond, Don Drummond, Henry Downey, L. B. Bruner, Archie Carson, Lewis Johnson, Leonard Johnson, E. W. Johnson, Ray Johnson, E. A. Lawlis, Shannon Carter, Clarence Butler, J. W. Carter, Willie Ails, Margie Ikler, Roy Bruner, C. L. ## Mr. Bell liked to make things better...

After Alexander Graham Bell invented the telephone in 1876, he did not rest on his laurels. He helped form the National Geographic Society, developed the basic method of making phonograph records on wax discs and pioneered a method of locating icebergs by detecting echoes from them. He made suggestions and contributions that helped give us air conditioning and the iron lung. For 46 years after inventing the telephone, he lived a vigorous and creative life.

Southwestern Bell likes to make things better, too...

Six short years ago, we did not offer the Princess® telephone. Home Interphone, Wide Area Telephone Service, Centrex service, Data-Phone data communications service or Panel Phone. There was no electronic artificial larynx, no automatic dialer and no Speakerphone. Today, these new items help us provide the best telephone service in the world. But we want to make it better. That's our legacy from Mr. Bell.

## SYLVESTER NEWS...

By Mrs. R. M. Babb  
We have really enjoyed the past week with some nine inches of snow that began on Monday and the last snow that fell was on Friday and we have promise of more this week, we can always use the moisture.

The only accident that we know of due to the ice and snow was, Jimmie Nelson, he took a drive on Saturday and skinned him up quite a bit, hope he is doing o.k.

Pearl Johnson is still in Hamlin Hospital but doing well.

There was a very small group in church Sunday morning to welcome the new pastor of the Baptist Church, but we are very glad to have Bro. and Mrs. Leverett and children with us and are very anxious for them to move on the field, they are both teaching in the Hamlin School system.

Mr. Frank Brown of Story, Ark., brother of Buford Brown here spent the weekend in the Brown home. On Saturday afternoon they all went to Roscoe to visit another brother, Henry, then back to Sweetwater to visit in the Jerry Prather home. Sunday morning the three of them drove to Levelland to visit in the Max Deel home then on to Lubbock in the afternoon. Mr. Brown returned to Ark. on Monday.

Sylvester Merchantile is now in the Conoco Station and Grocery on the north corner of block, as yet there isn't any thing in the Brewer building.

Mr. Landon Perkins is slowly improving but still has to be very careful.

Uncle Bobby Jones is in the home of Marie Hurd on 911 Roscoe in Sweetwater and would appreciate a note from any of his friends.

Several members of the Baptist Church attended the Workers Conference at Cross Roads on Monday night.

During this bad weather Neda Kiser is staying in the Holiday Lodge in Hamlin which isn't a bad idea for these people that live alone.

*In need of a Pull.*

It is fun to get out and romp with our children, to share in their joy. Sometimes it is even work to pull them on a sled. Afterwards you may be tired and bones and muscles ache, but you think fondly of the laughter, and squeals of delight and the love that shines in a child's eyes. Then you think it's all worth the effort, for they won't be young forever, and someday you will only have memories.

They won't be young forever and now is the time that they need a pull in the direction toward God. Now is the time that you can lead and share in the joys of their worship. Take your children to Church this Sunday

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## PIPER PATTER...

By  
Helen Moore  
Jane Ferguson  
Patsy Sauls  
Telephone buzzed early Friday morning as students were asking, "Is it true that there will be no school today?" Yes, it was true, and the students received an unscheduled holiday after a week full of activities.

On January 18 the students took a bus to Anson to back their teams in district play. The girls won an exciting game over Anson; and the boys, having to play three overtimes, lost a hard-fought battle.

On Wednesday morning, following the F. H. A. devotional, it was announced that Patsy Sauls had won the Betty Crocker Award. All three-year Homemaking girls are eligible to enter the contest. Patsy took a test based on Homemaking principles,

and received the highest score making her the winner in our school. She received a letter of congratulations and a pin.

Our Piperettes defeated Coleman on our home court January 20. The B-team defeated Coleman's B-team, also. A guest speaker Mrs. Schmidt, gave a demonstration on Sibonne, an interfacing material, in the Homemaking Department January 20. That afternoon the F. H. A. girls volunteered to help with the March of Dimes Drive.

Casting of the Junior Play, "Reluctant Reunion," brought to the already-over loaded schedule another entry-play practice. Chosen for the cast were Mike Murphree, Dennis Weaver, Margaret Johnson, Geneva Ward, Randy Smith, Pamela Holtz, Robert Moore, Rheanna Sanderlin, Sue Roddy, Helen Moore, Joe Adams, John Osbourn, and Raymond Nichols.

## FROM THE EAGLE'S BEAK...

By  
Ann Kemp  
Racheal Miranda  
Barbara Griffin

In spite of bad weather, students of McCaulley School had a busy week. Tuesday night, the Eagles and Hornets, from Highland clashed to sack up McCaulley's third win in district play. The girls' team met defeat, but did have six players for the first half.

The stoves were the center of attention in the classrooms most of the week. With the cold weather most everyone, students and teachers, found it hard to leave its' nice warm side.

Thursday afternoon the FHA'ers met in the Home-making Cottage. Visiting with us were Brenda Morton, Nancy Ashley, Kay Killingsworth, and Miss Dudley Hambricht from the Roby FHA Chapter. They brought the program on the FHA Degrees of Achievement.

Brenda told us of the Junior Degree and how it could be obtained. She stressed the importance of Degree work for a strong chapter.

Nancy, discussed the Chapter Degree, based on the continuation of the Junior Degree for an additional year. Both girls told of the State Degree and method of work on it. It was pointed out that you must have completed both the Junior and Chapter Degrees before work may be started on the State Degree. This Degree must be judged and approved by the Area President's committee for judging degrees.

Miss Hambricht then urged the FHA'ers to work on Degrees and showed us a state Degree, so that we could see the finished product. Both Brenda and Nancy are working on their State Degrees. Nancy is also a candidate for Area Vice-president and we are wishing her well. Plans

for raising money for the FHA Chapter were discussed. It was announced the Annual Cake Auction would be Friday January 28 at the half during the Boy's game with the Divide Trojans, so come to the game and buy a cake from the FHA.

Friday was an unexpected holiday for McCaulley Students as well as for many more students in the County. Guess you could say we had a long weekend. Friday morning the world was white and who could come to school with all those snowmen to be made. So we took a day off.

Monday there were a few unexpected surprises. The Hills had just heard they were the proud grandparents of a grandson. Congratulations we know how exciting it must be to be grandparents for the first time.

Mrs. Jane Smith was beginning her new job as Remedial Reading Teacher. We want to welcome her to our school. We mustn't leave out the new member of the junior class, Charlie Morton, and say welcome to MHS.

The seniors aren't doing as well as the juniors for they lost a class member last week. Linda Morrison has finished and left us. We'd like to wish her the best of luck and all hope we'll be getting one of those sheep skins the end of this term.

The Junior High teams won both home games Monday night; looks as if both teams are having a fine season.

Things have about settled down. It's not six week or mid-term and the ground is sloppy but safe. School has again reached the regular routine; of working to keep up those grades and keep an overloaded schedule.

# Don't just stand there

# learn something!

The competition for good jobs is a very fast track today. And you can't afford to just stall around, while others are learning how to move ahead faster.

Today, to get a good job, you need a good education. You really can't get ahead without one. A good education is the *first* thing most employers ask for. It proves you've got what it takes to handle a good job... a good *paying* job.

... a job with a solid future. So, if you're in school now... stay there! Learn all you can for as long as you can. If you're out of school, you can still get plenty of valuable training outside the classroom. For the latest information, visit the Youth Counsellor at your State Employment Service. Remember, a good education isn't a luxury today. It's an absolute necessity.

# What's an education good for anyway?

Just a lot of practical things... like a good job, a good salary, and a better share of the good things in life. You wouldn't want to do without any of them. But you may be forced to... if you settle for less than a good education. Don't kid yourself. A good education isn't a luxury today. It's an absolute necessity. With most employers, a good education is the *first* requirement for a good job... a good *paying* job.

... a job with a good future. So, if you're in school now... stay there! Learn all you can for as long as you can. If you're out of school, you can still get plenty of valuable training outside the classroom. Find out about it. Visit the Youth Counsellor at your State Employment Service.

Goliad already is actively campaigning for Byron Tunnell's seat on the Railroad Commission.

Oil Allowable Edged Up - Texas' oil allowable has been edged up for the second month in a row - to 32.7 per cent of capacity for February.

The percentage factor applied by Railroad Commission adds up to a production ceiling of 3,100,000 barrels a day next month. January allowable of 32.6 per cent permitted slightly less. But it was the most promising start Texas oilmen have enjoyed in eight years.

Commissioners, after setting the allowable, went into conference with an Air Force general to learn what effect the accelerated fighting in Vietnam would have on petroleum demands. Best guess at the moment: not too much.

Recreation Grant Set - Texas has established eligibility for a \$3,500,000 grant from the Federal Land and Water Conservation Fund for acquisition and development of state and local outdoor recreation areas.

Will Odom, chairman of Texas Parks and Wildlife Commission, said Texas' statewide outdoor recreation plan was approved by the Department of Interior's Bureau of Outdoor Recreation.

Austin, - Most-comprehensive and best-financed study ever undertaken of the Texas school system is about to get under way.

Gov. John Connally has appointed a 15-member committee to make an intensive three-year study of Texas schools. Committee will draw up

guidelines to aid the Legislature in drafting new laws to strengthen the traditional system of education in the state. It has \$250,000 (plus federal funds) with which to make the study.

PREWITT MOTORS ★ S. E. FIRST

"In the late 1800s families drew lots to see who would wash the dishes. I certainly hope yours doesn't, because there's no need for it. There are so many advantages to the automatic electric dishwasher that I'm sure when you've heard them all you won't be able to argue yourself out of having one. For instance, dishes washed automatically turn out more sanitary than those washed by hand—that's because much hotter water can be used in the machine than on your hands. And the latest dishwashers offer cycles not only for pots and pans but fine china and crystal, also dish breakage is 1/5 that experienced when dishes are done by hand. Best of all, the kitchen stays neat and uncluttered—even after between meal snacks. There are so many advantages to automatic dishwashing, there just isn't room to list them all.

See your electrical appliance dealer and tell your family they can quit drawing lots."

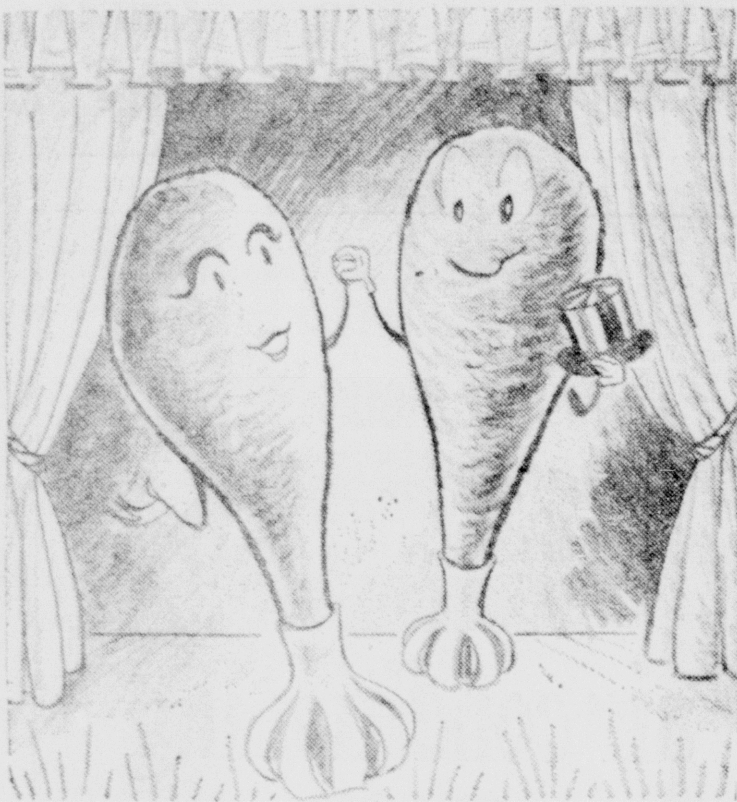

## Neice and Family Visit Mrs. Dean

Visiting in the home of Mrs. W. H. Dean last week were her neice and her family, Mr. and Mrs. Curry C. Brookshier and Annisa, 5, of Pakistan.

Brookshier is food and ag-

riculture research officer for West Pakistan under the U. S. Agency for International Development.

They are on leave from his headquarters post in Lahore, Pakistan. They have been there two years, having previously been assigned to Afghanistan and Chile.

## DRUMSTICK DRAMA

The star of this production is a big fat fryer grown plump and delicious. From brooder to buyer, our hero had electricity from the Midwest Electric Cooperative to warm his pen and light his way to proper feeding. When he was ready for his starring role, electric processing machinery and an electric freezer put him in the spotlight. And it took just one kilowatt hour to raise him from candling to cooking.

So if you find your fried chicken tender, tasty and economical this year, think a kind thought of the Midwest Electric Cooperative. They helped raise this chick to stardom.

## Medicare Questions & Answers

Q. I am not drawing social security but I am 66 years old. When can I sign up for Medicare?

A. For people who will be 65 by January 1, 1966, the enrollment period is in effect right now. Although, those 65 and over drawing monthly social security, railroad retirement, or civil service checks are being contacted by mail; others 65 and over should contact their social security office now, old-age assistance recipients should delay such contacts until requested to do so.

Q. I am 65 but still employed fulltime in a job covered by social security. What do I need to do to enroll for Health Insurance Benefits?

A. Visit your local social security office. You must file an application for regular social security and at that time you will be assisted in enrolling for the complete Health Insurance coverage. Take with you some old document to prove your age or date of birth. Establishing your eligibility for social security is necessary in this case even though you are not retired and will not actually start receiving monthly checks.

Q. I am not receiving social security, railroad retirement, or civil service retirement as mentioned in your column. Recently I had a stroke which confines me to my house. I am 66 and would like to enroll for the Health Insurance Plan. How may I enroll if I'm unable to come to your office?

A. We will send a person to visit you at your home and enroll you in the plan. The enrollment period is on now and all persons 65 and over need to take action promptly concerning enrollment.

Q. I am a retired school teacher, 67 years old. I have never worked under social security. Can I receive any benefits under Medicare?

A. You can qualify for the hospital insurance benefits by filling an application. Also, you are eligible to elect to take part in the medical insurance benefit plan. You should check with your social security office promptly and bring with you some old proof of your age or date of birth.

Q. I am past age 65 but I do not receive benefits from social security or any other

source. I understand that I may be eligible for the new hospitalization insurance and medical insurance programs under social security. It that true?

A. Yes, provided you are a citizen of the United States or an alien who was lawfully admitted to the United States for permanent residence and have resided in the United States for at least five years. Contact your local social security office immediately to come under the program. Be sure to bring proof of your age and proof of citizenship if you were not born in the United States.

O. Is my 63 year old mother, who receives wife's benefits, eligible for Hospital Insurance Benefits?

A. No. Hospital insurance benefits start at 65.

Q. How will the financing of the supplementary medical insurance work?

A. People enrolling in the medical insurance benefit program will pay a \$3 monthly premium, which is matched by the Federal government. These premium payments will be placed in a separate supplementary medical insurance trust fund and the money will be used only for medical insurance benefit payments.

Q. Recently I received an application card for enrollment in the supplementary medical insurance program. At this time I am undecided. How long do I have to make up my mind?

A. For those people 65 before 1966 to become eligible for medical benefits in July 1966, they must enroll on later than March 31, 1966.

## TEXAS 1955 STATE SALES TAX TABLE

If you itemize your deductions, you may use this table to determine the general sales tax to be entered on Form 1040, page 2, Part IV. However, if you can establish that you paid a larger amount, you are entitled to deduct that amount. This table is based on the Texas state sales tax of 2 percent. Sales taxes for automobile purchases are not included in the table and they should be added to the table amount, if applicable.

## Forth Worth Fat Stock Show Opens Run Friday

Forth Worth — With an entry list of more than 450 cowboys Fort Worth Stock Show President and Manager, W. R. Watt is predicting a great year for the 1966 edition of the "World's Original Indoor Rodeo", January 23 through February 6.

Heading the list of cowboys competing for the Fort Worth Rodeo purse of more than \$75,000 in prize money and entry fees is Dean Oliver, three time consecutive winner of rodeo's highest award — All Around World's Champion Cowboy. Oliver, from Boise,

Idaho has won the top award in 1963, 1964 and 1965.

Four of the currently reigning event champions entered at Fort Worth are: Shawn Davis, Whitehall, Montana, Saddle Bronc Riding; Jim Houston, Omaha, Nebraska, Bareback Riding; Larry Mahan, Brooks, Oregon, Bull Riding; and Glen Franklin, House, New Mexico, Calf Roping.

Providing the cowboys with back bruising rides will be the job of Rodeo Producer Tommy Steiner and Associates. Steiner has lined-up some of the roughest and meanest broncs and bulls in the business and has seen to it that the animals were well rested before coming to Fort Worth.

Kick-off event of the 1966 Southwestern Exposition and Fat Stock Show will be the annual Western Day Parade at 2 p.m., Friday, January 28. As the Parade wound its way through down-town Fort Worth in 1965 it was seen by over 135,000 spectators. The
